

## how to enter:

<b>RADIO</b>	
<b>R</b> – Radio	

- Upload your Radio entry(s) directly in the entry system.
- Accepted file formats: **.mp3 .wav .aiff .zip**
- For MP3 files, we recommend a minimum bit-rate of 128 kbps for optimal sound quality. MP3 files with higher bit-rates (i.e., 160, 192, 256, 320) are also accepted.
- 50 MB** limit per file upload.
- Name your file with the title of the commercial as you have entered it in our entry system.
- Upload 1 (one) file per single entry.
- Upload 1 (one) file per entry title for campaign entries. e.g., a 3 entry campaign will have 3 file uploads, one for each title.
- You must upload your file(s) before you can successfully finalize and complete your entry.**
- Questions? E-mail [mobiusinfo@mobiusawards.com](mailto:mobiusinfo@mobiusawards.com)
